CINCINNATI, OH -One of the area's don't-miss Halloween celebrations begins Friday, September 18, at EnterTRAINment Junction in West Chester.

Halloween at the Junction is really two celebrations in one - **Jack-O-Lantern Junction** is fun by day for children and families, while **Junction Nightmare** is extreme fright by night for teens and anyone else who enjoys unleashed terror breathing down their necks!

During the entire fall Halloween celebration, EnterTRAINment Junction's beautiful 1930s-era Main Street area is decked out in autumn colors and decorated with scarecrows, hay bales and Halloween bunting.

## **Jack-O-Lantern Junction Is Family Friendly**

During the daytime, the family-friendly **Jack-O-Lantern Junction** is perfect for children, parents and grandparents.

Two creative (and well lit) walk-through mazes are themed for pint-size fun in a non-threatening, low-scare Halloween environment. In the first maze, children can roam through an old Victorian mansion with cobwebs and "haunted" rooms. A

second walk-through features a mirror maze, clown room, chain-link maze, and a curtain maze. And, Halloween treats for kids are available at selected locations throughout the mazes.

**Jack-o-Lantern Junction** is open daily beginning Friday, September 18 through Sunday, November 1. Hours are 11 a.m.-5 p.m. every day except Sunday, when hours are noon-5 p.m.

Admission is only \$8 (or \$4 when purchased with a discounted combination ticket that also includes the world's largest indoor model train display, a giant kids' interactive play area, the American Railroading Museum and an expo center.)

### **Junction Nightmare Is Unleashed Terror**

When the sun goes down, terrifying shadows rise unseen, things suddenly go bump in the night and unspeakable horror settles in on Junction Nightmare.

**Junction Nightmare** presents two different, *extremely* intense, walk-through mazes (Ripper's Revenge and Fear Factory) that only the very brave dare to enter!

More than 30 costumed monsters have mayhem on their minds as they search for victims through a terrorizing darkness filled with blinking lights, dense fog and creepy rooms with no escape.

**Junction Nightmare** is NOT recommended for those under age 12 or for adults easily scared and just plain chicken!

The two **Junction Nightmare** haunted walk-through experiences include:

#### **Ripper's Revenge**

Uh-oh...this is not good! Jack's on the loose again...and this time he's after you! Your worst nightmare just came true as you are transported into the sordid, foggy back alleyways of 1880s London, where unimaginable deeds are done and danger lurks in every shadow. The question is -- can you escape alive when

pure evil is stalking your every move?

### **Fear Factory**

Along unending blind corridors, the blood-curdling terror of maniac clowns awaits their next victims! You can run, but you can't hide from these fiendish demons from the dark side! Do NOT panic as you struggle to make your way through disorienting fog, crackling downed electrical wires and howling wind, along claustrophobic walls and chain link pathways leading to nowhere. OK, go ahead and panic!

**Junction Nightmare** is open for weekend operations Friday and Saturday nights September 18-Oct 31, 7 p.m.-midnight, and Sunday nights September 20-Nov 1, 7 p.m.-10 p.m. Admission is \$15 (two mazes for one low price), or only \$7.50 with coupon.

EnterTRAINment Junction is the **ONLY** railroad-themed family entertainment center on the planet and was named as Ohio Best Family Entertainment Center.
